Tax-deductible donations to charitable organizations make wonderful alternatives to traditional gifts and teach children the meaning of giving. At the Market, you can shop from a diverse collection of local, national, and international nonprofit organizations with established track records of helping people, animals, and the environment. Gift-giving opportunities range from \$5 to \$60 for items that will benefit your chosen charity – for example, \$5 might buy two 2x4's for Habitat for Humanity, or \$20 might sponsor an HIV+ orphan for 2 months through From HIV to Home. 100% of every donation goes directly to the organization. Some of the local area non-profit organizations involved include The Salvation Army, Hedwig House, The Good Samaritan Shelter, ACPPA, Gift of Life, the Laurel House and more. Shoppers who make purchases on behalf of friends and relatives will receive a festive gift card, a small token gift, and literature about the organization's mission, values, and programs.
