

January - March 2017

Jesus invites us to be his disciples. The word disciple means “learner.” Jesus is looking for learners, those who want to learn his ways and grow in their faith. Disciples of Jesus live fruitful, fulfilling lives when they stay connected to him and to each other. The following groups are places to connect and grow with Jesus and one another.

TRANSFORMATION GROUPS

Transformation groups, or T Groups, provide a simple way to connect with Jesus and one or two others of the same gender. The combination of Scripture reading, authentic sharing, and prayer provide the soil that help us grow as disciples of Jesus.

For more info on how to become part of a T Group contact info@valleyviewseek.org.
